WORK EXPERIENCE

● TD Bank Group

Senior Brand & Marketing Designer | July 2023 – May 2026

As Senior Designer for the HR Colleague Journey team, I drive visual strategy and creative execution across a broad range of touch points — interactive PDFs, HTML emails, video, brochures, SharePoint sites, and PowerPoint presentations. I collaborate closely with diverse stakeholders across multiple lines of business, delivering high-quality work that balances strong brand storytelling with AODA accessibility standards, all within a fast-paced environment.

● Vanguard Investments Canada Inc.

Creative Strategist | December 2021 – June 2023

As Creative Strategist at Vanguard Investments Canada, I designed and executed creative concepts across social media campaigns, digital advertising, video, website updates, and event materials, ensuring a consistent and compelling brand presence across every channel. I mentored a junior designer, maintained strong vendor and stakeholder relationships, and served as the go-to brand expert for the broader team, bringing both strategic oversight and hands-on execution to every project.

● Founder | Design Studio

Art Director | May 2013 – November 2021

Established and operated my own independent design studio serving a diverse range of corporate, legal, real estate, and Indigenous clients — including TD Wealth, Toronto Board of Trade, KW Realty, Shimmerman Penn LLP, and the community members of Atikameksheng Anishnawbek, and many more.

● TD Bank Group

Senior Designer | November 2011 – May 2013

Supported the TD Securities Events team within the Creative Services department, designing all creative elements for corporate events — including large-format signage, online invitations, brochures, and menus. Acted as a brand expert for the team, annually reviewing the functionality and design aesthetic of event materials, and prepared presentations for Marketing meetings to share design excellence and forward-thinking creative strategies.

EDUCATION/ACHIEVEMENTS

● Sheridan College

Computer Fundamentals Diploma

● Sheridan College/York University

Bachelor of Design Honours Degree
